

Well by now you have heard that WCRC will be hosting the 2018 NARC Finals again this year... The change is, we will be hosting it at the Bowie Grounds. Let that sink in for a minute and then I will let you know what this means to you.

Everyone that is attending the 2018 NARC finals will have access to stalls. They have plenty for everyone. The stalls are covered, and they will cost the same as you paid for them at Weatherford. They will be \$30 for the weekend.

For those of you that want to put up your own panels, that is OK also. There is plenty of room in the back and in the treed area for that. ****No hot wires or T-posts*****

For those of you that are looking for RV spots. They have 70 of those. They have 60 – 30 amp and 10 – 50 amp. When Robin and I used to haul her massive camper with 2 air-conditioners up there she needed the 50 amp but for the majority of us with horse trailers, the 30 amp works just fine. The prices for these will be 30amp-\$60 for the weekend and the 50amp-\$75 for the weekend. These RV spots also have water that you can hook your trailers up to. There is a place to dump when you leave which makes it convenient.

The form I am sending out is the one you must fill out and send in as quickly as possible. Lisa M. will be taking the orders and she will do everything in her power to put you where you want to go. It will, of course be a first come, first serve basis but I see no reason why there won't be enough for everyone.

For those of you that don't want to hook up, you are more than welcome to bring your own generators/tents or whatever else you need but with gas/diesel prices it would probably be cheaper to get a hook up....

As I said when we first moved the finals Weatherford, change is hard. But changing is also growing. The grounds at Bowie have always suited our needs and I personally am excited about going back. We at WCRC thoroughly enjoyed hosting at our personal home but due to some circumstances that we can't help we have had to get them moved.

I know there are probably lots of questions and I will try to get an article/e-mail sent out to everyone in the next couple days giving you some more information on what things we are going to try to do this year. "fun stuff". If anyone has any ideas, please give me a shout. varsik@verizon.net

I just wanted to get this ball rolling with the stall and RV rental stuff.

EVEN IF YOU HAVE ALREADY ORDERED STALLS PLEASE FILL OUT THIS FORM AND MAIL IN TO LISA. And all kidding aside, don't delay... Get this in the mail. First come.... First served...
